Mr B

- Grateful for your time
- No grand update
- Kids same schedule and not changing anything
- Principals are getting emails about next year. Tried asking questions to those above as well but there is no idea right now for what fall will look like
- Attendance 420 dwindles
- last year 642
- Happy to have the 420 that we have each and every day

PTA (Dawn)

- Book fair raised \$140 (normally \$1,000 and \$2,000)
- Next fundraiser will be square1 art
- It won't be done in the classroom, materials will be sent home and parents can do it on their own directly from the website so not cutting into synchronous time (early March)
- School pictures changed vendors so everything is done online, so on Mariners reminders they will remind those to submit pics by February 26th. The photo that came home doesn't have to be the one you choose. Makeup pictures is January 12th.
- How do we help out with the yearbook? They'll get teachers and parents to submit photos
- If people have cute pics please submit
- Good Choices Week this week. Haven't been able to get leadership to do it this week. It'll be moved to February and will focus on physical and emotional health. How to deal with stress in a healthy way.
- Updates on Jog-a-thon (March 30th and April 1st)? Changed to Move-a-Thon to socially distance... keep it fun!
- Anyone who wants to go to PTA meetings you can join (Wednesday January 27th Zoom)

Golf Tournament
